September

A Note From The Editor

I'm not too sure about you but on my recent travels I have noticed the leaves are changing and each year I feel like it's happening sooner and time just flies. It reminds me to be sure to slow down and remember what is around us that we can reflect on. Friends, family & home. It is different for many people but it is important to slow down. As we enter September kids get back to school and the weather teases us with a few nice days of reminders of summer. Thank you to Sabine & Cheryl who helped cover me in my absence. Also thanks to Regina C who is organizing the music session Saturday nights, Audrey W & Truda M who are organizing our tuck shop & Helene T who has been amazing with our gardens. Thank you to Geri who volunteered her time this month with doing crafts & assisting with shopping trips. June Fisher has taken over the organizing of our library. Thank You June.

September is looking like another busy month as we look forward to the fair. Look for our table & information booth. Stop by and say hi.

August Highlights & What's To Come

One of our biggest highlights for August was celebrating the 100th birthday of Doris Istead. I thoroughly enjoyed putting together this party and being a part of this wonderful day.

We enjoyed some new talent at MLP - John Sharkey entertained our residents for our monthly birthday celebration. Thank you to Geri Claxton who did another great craft with our residents. We enjoyed a great trip to Walmart. We celebrated summer with a watermelon social and popsicle socials. We have enjoyed our time outside and enjoyed the weather playing ladder ball & corn hole.

This month we had our evacuation drill and it went very well, thank you to everyone for your cooperation and making it go smoothly.

As we enter September a trip to Campbells Orchards is planned, we will be entering crafts into the Picton Fair, thanks to Hospice Prince Edward we will have a Applefest Social. I have added a few documentaries to our calendar. Peter Rea will be back in September for our birthday party. The Quinte Isle Trio will be back to entertain residents on the 7th. As we approach fall let's enjoy the rest of our summer as long as we can.

Cheers for Peers

A big congratulations to Terry Mindle, our Cheers for Peers Winner at MLP Maintenance Department! 🏆

This recognition is well deserved and a great reflection of your hard work and dedication. Your positive attitude and willingness to support the team make a real difference.

Thanks for helping make MLP Retirement a great place to work.

Keep up the fantastic work, Terry! 🙌

Kindness

Congratulations to Truda Morin, our well-deserving Kindness Award recipient! Truda brings kindness, warmth, and a caring spirit to MLP Retirement. She is always willing to lend a helping hand, especially with the Tuck Shop, where her friendly smile and welcoming nature make everyone feel special.

Truda goes above and beyond to help others, and her thoughtfulness does not go unnoticed. She is a wonderful example of how small acts of kindness can make a big difference in the lives of those around us.
